Earl,

Can you follow-up with David and Jerry and find some time on the calendar so we can schedule sometime over the next several weeks, i.e., early/mid September?

Thanks,  
Webster

Hi Jerry,  
Recognizing that this is a check-in, the entire group may not be needed, but it would be good to include Carol, Ariel, and Earl for continuity from the February meeting.

I'll get back with you on availability from CARB.

Thanks,  
Webster

Hello David and Webster,

Anita and I would like to set up a conference call to catch up on what's been happening in the Sacto area regarding a contingency measure addendum to the submitted 2017 attainment plan. When last we spoke in February, the Districts were going to review some options and ideas on how to proceed?

I don't think it is immediately necessary to round up the entire group to just check in on things, and it might be a bit more expedient to schedule with a smaller group. If you disagree, wish to include others, or know of someone who would like to attend/call in, then please let me know and I can include them in an invite.

Let's start with availability next week and work out from there?

Thanks,  
Jerry
